

# PRICE ADJUSTMENT FROM 12.2021\*

\* Dear customers,

the year 2021 was accompanied by permanent increases in raw material and logistics costs. Despite our efforts to keep prices stable as far as possible, a price adjustment is unfortunately unavoidable, as we will of course continue to deliver the usual high quality. The new prices are valid immediately.

We look forward to continuing to supply you with our high quality products in the future.
