

## PRICE ADJUSTMENT FROM 12.2022\*

\* Dear customers,

the year 2022 was accompanied by permanent increases in raw material, logistics and energy costs.

Despite our efforts to keep prices as stable as possible, a price adjustment is unfortunately unavoidable, as we will of course continue to supply the usual high quality „Made in Germany“.

**The new prices are valid immediately. Please adopt them in your store as soon as possible.**

We are looking forward to continue to supply you with our high quality products.
